

# PYRAMID PINES

## RULES AND REGULATIONS

January 1, 2019

The following rules and regulations are intended to assure the continued high standards and pleasant living conditions of Pyramid Pines Estates with special emphasis on consideration of one's neighbor. These rules and regulations are written within the guidelines of section 233 of the real property law of New York State. As a tenant of Pyramid Pines Estates, you are required to comply with these rules and regulations and your failure to do so will result in eviction.

### 1. CHILDREN & GUESTS

**1.1 Violations of park rules and regulations by children are considered the same as if the parent committed the violation. Guests are also the responsibility of the resident and consequently the resident will be held responsible for their actions. This includes the requirement that the resident pay for damage caused by guests. Guests who continue to violate rules and regulations will be legally banned from the park.**

**1.2** All kids must behave at the bus stop. This includes a prohibition against running around and picking on other kids. (Parental supervision may be required)

**1.3** Curfew is 10:00 P.M. for children under the age of 18, unless accompanied by a parent or legal guardian.

**1.4** Loitering is not allowed in the streets.

**1.5** Children are not permitted to play near garage or storage areas, machinery, and construction areas in the park. This will be strictly enforced for everyone's protection. Working parent residents are reminded that neither the Park staff nor the resident's neighbors are responsible for watching their children. Parents shall at all times make appropriate arrangements for the proper and adequate supervision of their children/grandchildren or visiting children. In the event that children/grandchildren or visiting children are left without adult supervision, the management, in its sole discretion, reserves the right to serve a notice of rule violation.

**1.6** Bus Stop Parking- No cars are allowed to park closer to the highway than 35 ft. All entry & exit lanes **MUST** be kept open to traffic and clearance from the corner must allow for emergency vehicles to enter & exit.

**1.7** Skateboards, roller blades and roller skates are not allowed in the park. Scooter and bikes must abide by the rules of the road.

**1.8** The bus stop is considered a **NO SMOKING ZONE**.

### 2. ANIMALS

**4.19** The tenant is responsible to inform the office of any conditions that may be considered unsafe on their lot.

**4.20** We will not cut live trees unless absolutely necessary. The park may have to cut trees on certain lots in order to modify space for new homes and/or utilities.

**4.21** Park office must approve all driveways that are going to be blacktopped. Locations need to be called in for utilities (811). This must be done in writing.

## **5. RUBBISH-TRASH**

**5.1** One 90 gallon trash can per household is permitted. Trash is to be kept in sealed plastic bags. Tenant is responsible for recycling. Trash container may be put out the night before pick-up. Garbage pickup is on Friday AM and the garbage can **must** be returned behind your home, not visible from the road the same day. The trash pick-up **ONLY** involves garbage that is in the can. They will not pick up anything outside the can on the ground.

**5.2** The removal of anything other than household garbage is the responsibility of the tenant, at their expense. Notices will be given if rubbish is not removed.

**5.3** Any dump run materials/items should be kept behind your home (not visible from the road) until either your outside hauler (1 week deadline) or park personnel picks them up on a dump run. The park offers dump runs on the third (3<sup>rd</sup>) Friday of each month from April thru October. A call to the office **must** be made before pickup will be honored. The tenant will be billed for the pickup. Dump run charges **MUST** be paid within 2 weeks.

**5.4** No items are to be placed at the road for sale or marked free. Notices can be placed on park bulletin boards only.

**5.5 NO DUMPING** of any type is permitted on park property.

**5.6** Hot ashes from stove or fireplace must **not** be put into the trash can. If the can is damaged due to this practice, the tenant will be charged for the can.

## **6. HOME MAINTENANCE**

**6.1** Home, sheds, decks, ramps and fencing are to be kept in good condition, clean, neat and properly painted or stained. If you elect to stain the wood, the wood must have a clean/new appearance before doing so. It should be pressure washed. All painting of homes,

sheds, decks, fencing, etc. must be approved by Park Manager in writing. (This is your proof) **No bright colors.**

**6.2** Non-metal roofs must be kept in good condition. Metal roofs must be kept sealed to conceal unsightly rust.

**6.3** If a project is being performed, a small pile (covered) (with a dark colored tarp) may be stored behind your home not visible from the road. A time frame for the completion of the project will be set at the time of approval from the office.

**6.4** No tarps can be used to enclose porch or deck. Canopies are allowed if they are placed in the back yard only. They are not to exceed 10'x10' in size and cannot be homemade. The tarps must be store bought and dark in color (**NOT BLUE**).

**6.5** A decorative screen house may be allowed on a deck only if permission from the park management is granted. A photo of the potential screen house is recommended. The park will also have the right to require a tenant to take it down if it becomes unsightly.

**6.6** Any items not limited to broken blinds, torn curtains or other debris on the inside that may deter from the neat appearance of the home from the outside must be replaced or removed from the window(s).

**6.7** Clear plastic enclosures on porches will only be permitted from Nov. 1 – Apr. 1 and must be neat in appearance. All plastic must be removed by April 1<sup>st</sup> or sooner.

**6.8** Any type of BUG infestation must be treated **immediately**. This includes carpenter ants, cockroaches, head lice, termites, etc.

**6.9** The park is not responsible for ridding any home/lot of animals/rodents. This must be up to each homeowner to take care of and it **must** be taken care of **immediately**.

**6.10** The only steps permitted to the home or patio shall be manufactured or neatly constructed wooden, steel, or prefab cement steps. Concrete blocks are not acceptable for steps. All homes must have at least two (2) entrances.

**6.11** Homes and sheds are to be kept level. Leveling of homes is the responsibility of the home owner. Residents should check that the home is level every spring.

**6.12** No outside entrances can be blocked by anything that will disable the tenants from escaping in case of emergency.

**6.13** Under no circumstances are blue tarps to be used in the park for any reason. Store bought dark colored tarps will be allowed only.

**6.14** Any new structure **MUST** be a minimum of 11' (feet) away from the tenant's manufactured home. If you have a structure that is already standing it will have to be moved before the home is sold. If the shed needs to be replaced, it must be set at the minimum distance.

## **6A. INSURANCE**

**6A.1** All homes must be adequately insured for liability and the tenant shall name Pyramid Pines, LLC. as an additional insured. The tenant shall also provide the landlord with a copy of the binder of insurance showing that liability insurance is in full force and effect.

**6A.2** If home is substantially damaged by fire or other cause, homeowner must immediately remove salvage, at their expense. Tenant is responsible for lot rent payments until task is accomplished.

## **7. MOBILE HOME OWNERS RESPONSIBILITY REGARDING UTILITIES**

**No one is allowed to work on Park utilities except park personnel.**

**7.1 Electric** - The mobile home park is responsible to provide an electrical connection up to the pedestal. The connection from the pedestal to the home and payment for electric service is the resident's responsibility.

**7.2** Only park personnel or the park electricians are allowed to open or work on the park disconnect boxes and/or meter boards. This includes adding breakers or wiring for additional power. Anyone tampering with these boxes will be held liable/responsible.

**7.3** Generators can only be used in an emergency and only until the emergency situation is over.

**7.4 Water and Sewer** - The mobile home park is responsible for the sewer lines from the tank up to the ground level connection. The resident is responsible for any blockage within the home or from the home to the connection. Furthermore, the mobile home owner is responsible for any blockage or expense caused by abuse of the water or sewer lines. Residents may not dispose of any environmentally hazardous product through the sewer system. Tenant is responsible for connecting power to the parks heating rod (Hydrant) and the home owners properly installed heat tape. **Running water in order to avoid freezing water lines is a violation of these rules and regulations.** The resident is responsible for the water line from and including the water riser. Every home must have a check valve to prevent damage to the hot water heater element in case the water is shut off in the park. Please notice that tanks cannot be pumped on the weekend. Please do not wait until Friday afternoon to notify us with a problem unless it can't be avoided.

**7.5 Water lines** that are not properly installed or equipped with a heat tape that works and/or adequately wrapped in insulation will need to be corrected.

**7.6 Sewer** must be connected properly so there are no leaks.

**7.7 Electric service** must meet all state/local codes. Any new service/change must be properly inspected by a licensed inspector.

**7.8** Anyone bringing a new home into the park is responsible for connecting water, sewer, electric, cable, telephone, gas or above ground oil tank. If a tenant desires additional electrical amperage, the tenant will be responsible for all materials and the cost of hiring a licensed electrician to install it.

**7.9 Heating Oil** – Residents using home heating oil or kerosene must have an above ground UL approved tank as well as a full spill-proof containment center/tank that meets all federal, state and local environmental laws, rules and regulations as well as park approval. Residents are to **immediately** report any leak or spill of fuel oil, kerosene, propane or other fuel to the park manager. The tenant is responsible for all costs of any spill of fuel oil, kerosene, propane or other fuel caused by their negligence or by their failure to require the oil company to clean any spillage. No underground storage tanks of any kind are allowed within the park.

**7.10 All oils, paints, petroleum products, etc.** must be stored in a proper containment storage center and not to exceed 10 gallons at a time. All heating fuels must be stored in an approved containment center.

**7.11** Water restrictions are in effect from May 1 to Oct. 31. Lawn sprinklers may be used on odd or even days, determined by your lot #, between the hours of 7:00 AM – 9:00 AM and 7:00 PM – 9:00 PM. Hand watering is not limited.

**7.12** No outside water toys are allowed in the park.

**7.13** Park residents may only wash their own vehicles in the park. (No community or commercial car washes are permitted.) Care of the use of water must be considered. Homes may be pressure washed, again, with care being used on water conservation.

**7.14** Any problem with natural gas leaks, tenant must first notify the power company then management.

**7.15 No torpedo tanks for propane are allowed in the park.**

## **8. ADDITIONS, DECKS, PORCHES, SHEDS, FENCING, AND POOLS**

**8.1** Management must approve in writing prior to the purchase of materials or the installation of any additions, decks, ramps, porches, sheds, and fencing. There are strict

regulations that must be followed. Should you erect or install one of these items without the written permission of the park you may be required to remove it. In some cases building permits must be obtained.

**8.2 Fences:** Chain link, picket, split rail or certain types of decorative fencing is permitted. Fencing is only allowed in the **back** of the home and fence sections **NOT to EXCEED 24x32 feet**. You must submit a sketch to the park office on the location & type of fencing. Permitted locations may vary due to the size and positioning of the home. Management will assist you in determining proper locations if need be. If your request is approved, you will receive a signed copy marked approved for your files. This is your proof of compliance.

**\*\*\*\* Use of Chicken Wire or similar fencing material is strictly forbidden.**

**8.3** All fencing must be kept in good condition. It must be kept repaired and painted. If you have chain link fencing, it must be kept free of rust.

**8.4** If you elect to place a fence 1' (foot) back from your property line you cannot plant anything in that 1' (foot) area. The purpose of that 1' (foot) area is to be used strictly for painting and maintaining you fence. You will be responsible for mowing and weed whacking that 1' (foot) as well as maintaining BOTH sides of your fence. If you do not mow it your neighbor can.

**8.5** 4' - 6' stockade fencing must be removed once it needs repair and/or when home is being sold. It can only be replaced with fencing that meets park requirements codes. Exceptions to this rule can be made at the discretion of park management due to lot conditions.

**8.6 SWIMMING POOLS ARE NOT ALLOWED.**

**Kiddy Pools are allowed** but must not exceed 5ft. in diameter and no deeper than 16 inches. You must obtain written permission from park management before placing a kiddy pool on your lot. This can be done by picking up a form from the park office.

**8.7** Tenants are responsible for moving decks, sheds, fencing or any other items that may be in the way of repairs that may need to be done on your lot which includes replacing leach fields and/or adding septic tanks, etc. If tenant does not comply within the time frame given, the park will complete the work and tenant will be held liable for all expenses.

**8.8** "Underground locations" must be notified (1-800-962-7962) for locating underground services before any digging can be done. If tenant damages any services, they will be charged for repairs. No digging is allowed without prior written approval from park management.

**8.9** All exits must have at least a 4'x4' platform with steps and 2 handrails with spindles spaced no more than 4" apart. Decks must also have railing all the way around with spindles. All steps, decks, and/or porches must meet Town & State requirements as well as park requirements. A building permit **MAY** be necessary. (Grandfather clause is in effect for those who do not have a 4'x4' platform now, however; if the home is sold or the steps need to be replaced a new platform with handrails and spindles must be installed.)

**8.10** Any new structure **MUST** be a minimum of 11' (feet) away from the tenant's manufactured home. If you have an existing structure that is already standing it will have to be moved before the home is sold. If the shed needs to be replaced, it must be set at the minimum distance.

**8.11** If a deck is to be built on the home, a drawing must be submitted to the office for approval, a town building permit must be applied for and the size of the deck will be determined at the park's discretion according to the lot size. No construction of any deck or other improvement may begin before receiving written approval from Pyramid Pines, LLC park management. (Grandfather clause is in effect prior to February 1, 2012)

**8.12** Additions to the manufactured home are **not** allowed in the park.

**8.13** No lot is allowed more than 1 shed. If more room is needed, a larger shed must **replace** the smaller one. The larger shed cannot exceed 12'x12' with walls not to exceed 8' high

depending on the lot size. If more than 1 shed is on the lot and repairs need to be made or when the home is sold, the shed must be removed from the lot. (Grandfather clause is in effect prior to February 1, 2012.)

**8.14** Lean-to-type structures are **not** allowed in the park.

## **9. SKIRTING**

**9.1** Each home must be fully skirted with manufactured vinyl skirting approved by park management within 30 days of its arrival in the park.

## **20. TENANT INFORMATION**

**20.1** Tenants are required to keep management informed of any changes of tenant information such as, place of employment, home phone numbers, occupants living in the home, etc. All update sheets must be filled out every year and returned to the park office. Any changes from the tenant's original park application must be approved by park management. This is to be done in writing only. No additional occupants are allowed to move into your home/park unless prior permission was granted in writing.

**Under no circumstances do we allow convicted sex offenders or felons to reside or visit our community.**

**20.2** Tenants who have been evicted will not be allowed to visit or reside with another tenant in the park. This includes leaving a manufactured home behind for the bank or park owner to take care of.

**20.3** A locked mailbox will be provided by the park for each resident. There will be a \$5.00 charge for all replacement keys and a \$15.00 charge if a lock has to be replaced. All new residents shall notify the Post Office of their new address.

The proper address is as stated.

Residence Name  
#\_\_ Pyramid Pines Estates  
Saratoga Springs, NY 12866

**20.4** Nothing will be allowed to be hung on mailbox structures or other unauthorized places. (ex. For Sale signs, Yard Sales signs, Lost Pets, etc.)

## **21. WINTER MAINTENANCE**

**21.1** Residents must keep clear all driveways and walkways of snow and ice at all times, in case of an emergency, whether tenants are home or not. If the resident plans on being away from the home for a prolonged period of time, they must make arrangements to take care of the snow and ice.

**21.2** All vehicles parked on resident's lot must have all the snow/ice cleared off as well as the snow behind the vehicle. Our park personnel must be able to inspect vehicle for proper registration and the vehicle must be able to be moved in case of an emergency.

**21.3** Sleigh riding, snowboarding, or any other type of winter sports is not allowed on park property. This includes throwing snowballs.

**21.4** There will be absolutely no “forts” built in the snow banks as well as no playing in or on the snow banks. This is a very dangerous place to play because if a child is in one of these “forts” and our park personnel has to plow the banks back, this child could get seriously injured or even killed. Also, the snow bank could cave in and smother the child.

**21.5** During the winter months, no vehicle is allowed to park on park roadways or other places where they will hamper park personnel from clearing and salting the roads. If this practice becomes habitual, the vehicle will be towed at the owner’s expense.

**21.6** Shoveling or blowing snow into the roadway is not allowed and will not be tolerated. This is not only our rule but a New York State law.

**21.7** During the winter months, if you elect to have your power turned off or it is shut off due to non-payment, you must immediately winterize your home so the park can shut off the water supply to the home to eliminate the threat of freezing pipes. You must notify park management in writing and by telephone call or personal communication of your intent to terminate, discontinue, or turn off either temporarily or permanently, any water supply or service, septic service, electric power, or other utilities servicing your manufactured home before taking any such action to do so.

**21.8** Please take note that we reserve the right to plow snow onto tenant’s property when necessary. This includes snow/snow banks.

The management encourages suggestions with regard to the park. Please submit them in writing. **Complaints must also be submitted in writing as they may become part of a legal action in the future.**

Thank you for your support in continuing to provide Pyramid Pines reputation as one of the highly regarded parks in the area.
